UNION, LOCAL 959, AFL-CIO

Petitioner

**ERRATA**

On April 25, 2003, I issued a Decision and Direction of Election in this matter. The purpose of this "Errata" is to correct and modify three items in that DD&E.

On page four in the first full paragraph under the heading of "Assistant Department Managers" in the third sentence it states:

For instance, the **assistant** bakery department manager and assistant bakery department manager's shifts overlap for all but three hours of the latter's shift.

Instead, that sentence should read and hereby is corrected to read as follows:

For instance, the bakery department manager and assistant bakery department manager's shifts overlap for all but three hours of the latter's shift.

Additionally, the Petitioner has brought to my attention that the unit description on page 11 of the DD&E incorrectly states and includes "assistant **store** managers" in the unit. That inclusion is not correct. Assistant store managers had also been specifically excluded from the unit in the unit description in the DD&E. Rather, assistant **department** managers are among those included in the unit.

On my own initiative, I have also re-worded the exclusions from the unit to make that aspect of the unit description read more clearly and, in this regard, have merely

rearranged the order of the excluded positions from the unit. Accordingly, the description of the unit on page 11 of the DDE is hereby corrected and modified to read as follows:

All full-time and regular part-time employees, the Floral and Dairy Managers, assistant department managers, and persons-in-charge employed by the Employer at its Valdez, Alaska location, excluding the inventory control employee, summer temporary employees, confidential employees, professional employees, guards, the Store Manager, Assistant Store Manager, department managers, Assistant Grocery Department Manager, backup hiring coordinator, the night closing persons-in-charge, and supervisors as defined in the Act.

**DATED** at Seattle, Washington, this 1<sup>st</sup> day of May 2003.
